

## Matching Gifts

Habitat for Humanity partners with many companies that match their employees' and retirees' contributions and/or have employee giving programs. Each dollar you give to Habitat is stretched farther when your employer doubles or triples it—and it all adds up!

Some companies even provide matching funds to support employee/retiree volunteer hours. Corporate matches and employee giving programs provide more than \$28,000 in annual revenue for Habitat for Humanity of Williamson County.

Please contact your *Human Resources Department* to find out if your company matches charitable gifts.
