

# What We Accept

Each of our ReStores is a non-profit home improvement store and donation center that sells new and gently used building supplies, furniture, home accessories, appliances and more to the general public at significantly reduced prices.

Proceeds support local projects and programs in Williamson County. Revenue from our Williamson County ReStores offer continued support for mission and programs. Your donations impact families in need of decent, affordable housing.

All donations made to the ReStore are tax deductible as allowed by law. Please consult your tax accountant.
